Re: Case No. 04 12509DPW

Dear Ms. Campbell,

I have received your summons noted above and am in process of finding a law firm to handle this case. My pervious firm had a conflict of interest and was unable to handle me any longer. I have contacted two firms and am scheduling a time to make appointment to interview. My contact has been on vacation and is due back after the New Year. Further, we have also had three holiday periods between when I received this summons and reply timing.

I am requesting reasonable time to hire a new law firm to handle this case.

Very truly yours,

J. Craig Bengert
